Hello Ms. Price,

I have received an RFP for the position of school psychologist and inquiries were directed to you. I need to check my understanding. Exhibit C Performance Survey is to be sent to my references by me and they return the completed form to you vial email by July 16,2020. Do we have an electronic version I can send them that is not PDF and they can fill it out online? Or do they have to fill it out by hand and then scan the copy to you?

Thanks for your help with this matter.

Good Morning,

I hope this email finds you well. We are interested in learning more about the RFP. We have the following questions:

1. How many of each provider type are needed for the 20-21 school year?
2. Does the District currently contract for these services?
 1. If so, with how many agencies?
 2. If so, are the current agencies able to meet the District's needs?
3. Are you open to virtual services?
4. Will there be an addendum or a way to receive answers to questions submitted by other vendors?
5. Due to COVID-19 is there an electronic submission option for the RFP?

Thank you in advance for your assistance.

Dear Dr. Price,

Good morning. My name is Amanda Ahmed and I am a speech pathologist and owner of a therapy company in Frisco, Texas.

Regarding RFP # 2020-0001, for Speech, Occupational Therapy, Counseling, and School Psychologist Services:

Are you accepting bids that include teletherapy services (virtual services), or is it for in-person only, or a hybrid service (in the event of a lockdown as we had last March)?

Please let me know at your earliest convenience. We are based in Texas, however we are therapist-owned and not a large staffing company, so the relationship and quality of services are very important to us. If awarded, I will make trips to La Paz County to make sure everything is running smoothly.

Thank you very much for your response and I look forward to applying to serve the students of La Paz County.

Respectfully,

Amanda

Hello Ms. Price,

I'm considering responding to RFP #2020-0001 for the Counseling Services position. My question is: I am not a certified school counselor. However, I am an Arizona Licensed Professional Counselor and have worked as a school counselor for pre-K to 12th grade students. Would my application be considered?

Thank you,

Susan Guinn-Lahm
