## PLOT or SITE PLAN

Plot or Site Plan must show the following information:

- I. All parcel property lines (include all dimensions in feet).
- II. Location of new dwelling/structure (in relation to property lines).
- III. All existing structures and distances between these structures.
- IV. Distance between all structures, property lines, and neighbor(s) structure.
- V. Location of septic tank, leach field, and reserve area.
- VI. All easements, washes, embankments, slopes, etc.
  - a. Affected roads, easements, and right-of-ways should be shown. Properties situated on State or County roads will need to furnish proof that the appropriate agency concurs or waives applicable permits, i.e. encroachment permits for ingress/egress on State and Country highways.
