Guidelines for Garbage Haulers

The following guidelines shall be met prior to commencing business:

Permit Submittal Documents:

1. Complete and submit a separate Application for Permit for each vehicle. Each Application for Permit shall have a separate permit fee of \$150.00.
2. A copy of the insurance shall be submitted for each vehicle to be permitted.
3. A copy of the title and registration shall be submitted for each vehicle to be permitted.

Once items 1-3 above have been completed you may schedule an inspection through our division. Upon approval of the inspection we will issue a permit number. The permit will be good for one year to be renewed annually every January. Permits that are not renewed by January 15th will be suspended and the operator will have to start the entire process over again.

You will be expected to:

- Have the original or a copy of the permit at all times the vehicle is in operation.
- Maintain a current license with any local city, county, state, or federal agencies. If the vehicle does not have appropriate permits/licensing, the Water and Wastewater Division will suspend your permit to operate or will not renew your application the following year.
- Each vehicle shall keep a copy of La Paz County's permit in it at all times, and keep a copy at the business address.

Illegal Wastewater Disposal/Dumping is a criminal offense and will result in the revocation of the permit to operate and prosecution under ARS 36-601.

Attached Documents/Checklist:

- La Paz County Application for Permit
- Solid/Septic Waste Manifest

Submittal Checklist:
