

## Window Tint Information

If you have received a citation for ARS 28-959.01C:

1. The sanction is \$163.00. Complete option 1 and return the form with your payment in full.
2. If you remove the tint, the Judge *may* possibly reduce the fine. The court requires the following for the Judge to review:
  - A. Your completed Option 1 from the brochure you received from the Officer
  - B. Receipt if the tint has been removed professionally. The receipt must be dated, have the amount you paid, the vehicle description, and a description of the work performed.
  - C. Pictures from behind the car with the license plate in the picture, with the driver door and the passenger door open with the windows half way down. Look at your picture before you sent it - can the Judge tell that the windows are half way down and that the tint was removed.
  - D. Bond of \$80.00. Note - this is a bond not the fine.
3. If you choose to plead not guilty complete option 2 and return it to the court. A trial date will be set and you will receive a notice of the date you are to appear.

**TO ENSURE THE MATTER DOES NOT GO INTO DEFAULT, THE COURT MUST RECEIVE ONE OF THE ABOVE OPTIONS NO LATER THAN THE APPEARANCE DATE LISTED ON THE CITATION. It is a good idea for you to call the court 5-7 days after mailing to ensure the court received your documents.**
